One of the most amazing domains in Provence. Close to the gold triangle of Provence (Avignon, Saint Rémy de Provence and Aix en Provence), beautifully restored to match the 18th century, this majestic domain combines sophisticated elegance and Provençal furniture. Once you close the door, you will find yourself in an Historic and legendary world as if you were in a old royal palace where you would be the new privileged king. The domain offers a wonderful chapel for celebrations, a landscaped park of 8 hectares with a pool 25m x 10m with a pool house, a summer lounge, a tennis court, a basketball court, a gym and a Helipad. The whole Castle is air conditioned and offers 9 ensuite bedrooms for 15 guests.
