This old 18th century "Bergerie" has been restored with quality materials while respecting the spirit of place. Wood, stone burgundy, authentic Spanish doors, the soul of the house has been preserved. The furniture matches the style of the house with a couple of modern touches. Outside, the two hectares of land ensure a quiet environment. The land is closed off by stone walls offering 100 olive trees, a pool area with Balinese touches will allow complete relaxation while enjoying panoramic views over the Luberon valley. The sunset accompanied by an aperitif with friends or family will blow you away. A heated 15m x 6m pool secured by an electric cover. The house has 5 bedrooms and 5 bathrooms.
